<u>Wyoming Cervical Cancer Issue Briefs</u>: We recently developed this quick overview of Wyoming's cervical cancer screening, incidence, mortality and five year survival rates. This is a companion document to the Breast Cancer Issue Brief that we sent you in October. *What is your county's screening rate?* 

<u>One-Page Cervical Cancer Data Flyer</u>: This quick at-a-glance fact sheet indicates the cervical cancer incidence and mortality rates in your counties. *What is your county rate?* 

<u>Cervical Cancer On-Line Toolkit</u>: See the enclosed flyer regarding the Cervical Cancer Toolkit we recently developed. This can be accessed on our program web site: <u>www.health.wyo.gov/PHSD/bccedp</u> look under the Cervical Cancer Tool Kit button. There are lots of educational materials you might find useful for patient education for *January Cervical Cancer / Cervical Health Awareness Month*!

<u>Voices of Hope DVD</u>: This resource is for women newly diagnosed with breast cancer; it was developed by the Minnesota Breast Cancer Support Group.

Beyond the Shock: This is an excellent online educational resource for women who have been diagnosed with breast cancer, a place for loved ones to gain a better understanding of the disease, and a tool for healthcare providers to share information. It was created by the National Breast Cancer Foundation with the support of the finest medical experts, doctors, and researchers in the world and includes informational videos, personal stories from women who have battled breast cancer and a community Q&A.

<u>2012 CPT Code List</u>: The enclosed list provides you with a list of services reimbursed by our program. This payment list went in to effect on January 1, 2012. Should you have any questions please contact our Billing and Data Manager Lieve Worthington at 307-777-3769 or <a href="mailto:lieve.worthington@wyo.gov">lieve.worthington@wyo.gov</a>. The 2012 CPT code list is also posted on our program web site at <a href="www.health.wyo.gov/PHSD/bccedp">www.health.wyo.gov/PHSD/bccedp</a>.

Important Note from Lieve: Our program is now using a web portal to process bills for payment and it is very important that you use the correct NPI numbers when billing; bills with incorrect NPI numbers will have to be returned to you for corrections. Thank-you for your cooperation!
